## Victory for SMC

Dear Sirs,

On behalf of the FIM and the Commission for Mobility, Transport, Road Safety & Public Policy, we send you our congratulations on your victory with the Swedish government concerning the number plate issue.

The SMC must be very proud to have succeeded in this fight of several years. This victory will encourage your organisation to continue to strenuously defend the rights and interests of Swedish motorcyclists.

We wish you all a safe riding season.

Yours sincerely,

Achilles Damen  
President of the Commission for Mobility,
